

# senior portrait session

we offer a very special session just for seniors, combining the features of our **portrait 2** and our **model portfolio**, this fun shoot includes **three looks** with at least **60 images** to choose from, in both black & white and color, and a free set of 8 wallet sized prints (a \$98 value) from the image of your choice. it's like your session is free!

**two sessions to choose from**  
**everyone's favorite • three looks • \$98**  
(includes one sheet of wallets)  
**on a budget • two looks • \$78**  
(includes 1/2 sheet of wallets)

we recommend that you include one look that your parents will love, one for your friends, and for your third you might want to bring along something that defines who you are, such as a musical instrument or sports equipment. you are welcome to include a friend, family members, or even your pet in your session. the choice is yours. if you aren't sure what to wear, bring a selection of outfits and your photographer will gladly help you choose.

## hair and makeup

please arrive on time and be prepared. your hair and makeup should be ready for your session. there is an area available for last minute preparations and touch-ups. check yourself in a mirror before your session begins. pay special attention to your hair! digital hair retouching is difficult and can be costly. don't wear any more makeup than you normally do. keep it clean and simple!

## talk to us!

we do our best to make you look your best! if you have any concerns about your appearance, such as blemishes, or any specific goals about your portraits, let us know.
